

Additional cover endorsements

If you purchase a policy through the Caravan and Motorhome Club website, you will get the following additional cover benefits in addition to our standard policy.

1. You can lock your bike to a cycle rack fitted to a caravan or trailer
2. You can lock your bike to a caravan or trailer fitted with a wheel clamp or hitch lock

These benefits are added to your policy as '**endorsements**' and will not be detailed in your policy wording. You can read the exact endorsement wording below.

Endorsement = a change to the terms of your policy added to your policy schedule, which is sent to you upon completion of purchase.

Endorsement 1

000.3 Amendment to cover; immovable object

This **endorsement** applies to the **General terms and conditions** section of the **policy**. **General definitions, Immovable object** is amended to read as follows:

Immovable object

Any of the following:

- a. a solid object fixed onto or into brick, stone, concrete or metal and which cannot be undone or removed with or lifted under or over the **cycle**;
- b. a securely fixed purpose-built motor vehicle roof rack or cycle rack, caravan cycle rack or trailer cycle rack;
- c. a caravan or trailer which is fitted with a locked wheel clamp or hitch lock in accordance with the manufacturer's instructions; or
- d. an official cycle rack at a railway station and supplied by the railway station specifically for the purpose of securing cycles in an area of the station which is within the jurisdiction of the British Transport Police Authority.
